# Chris Behrens

## Software Engineer

Gilbert, AZ

602-295-5560

Chrisbehrens@yahoo.com

### Technical Skills

---

**Overall:** JavaScript • ES6 • GIT • TDD • Database Theory • Data Structures • JSON • AJAX • API

**Front End:** HTML • Bootstrap • CSS • jQuery • React • Handlebars

**Back End:** Node.js • Express • MySQL • MongoDB • Heroku • ORM

### Projects

---

**TrackThatTrack** | [github.com/Bearpaw11/TrackThatTrack](https://github.com/Bearpaw11/TrackThatTrack) | [bearpaw11.github.io/TrackThatTrack/](https://bearpaw11.github.io/TrackThatTrack/)

- A Javascript & jQuery Web application which allows users to find out more about their favorite music artists.
- I was the backend lead which included integrating with and fetching information from multiple API's, then aggregated the data to send to the Frontend

**Weather Dashboard** | [github.com/Bearpaw11/Unit\\_06\\_Weather\\_Dashboard](https://github.com/Bearpaw11/Unit_06_Weather_Dashboard) | [bearpaw11.github.io/Unit\\_06\\_Weather\\_Dashboard/](https://bearpaw11.github.io/Unit_06_Weather_Dashboard/)

- A personal project I wrote that allows users to find the weather in a city of their choice.
- This app uses Open Weather API and Moment.js

### Experience

---

**Elite Athletes and Scholars - Founder and Software Developer** 2019-Current

- This is a passion project of mine. The mission of this company is to combat the student loan crisis by helping High School students get scholarships.
- Creating dynamic websites students use to showcase their athletic and academic skills and achievements.
- Students and parents use these websites to present themselves to recruiters and coaches.

**TechData - Systems Engineer** 2018-Current

- Responsible for discovering customer's needs and configuring the correct data storage system.
- Accomplished through a discovery phase that can include emails, conference calls, and one- on-one calls.
- Responsible for developing training material and giving technical presentations to my team and customers.

**State Farm- Claims Specialist** 2017-2018

- Make liability decisions on auto claims, after investigating all aspects of the claim.
- Communicating with customers and/or attorneys during inbound & outbound calls concerning claims.
- Pay invoices & appropriate subrogation demands.

**Ancala Country Club - PGA 1st Assistant Golf Professional** 2012-2017

**Aaron's Sales and Lease - Accounts Manager** 2009-2012

### Education

---

**Full Stack Web Development Certificate** - University of Arizona

**Bachelor of Science: Finance** - Northern Arizona University
